

*INSIDE THE
MIND A
RESTING
PLACE*

2008

i.c.w Richard Niessen
Strawberry Fields by I-
and I, limited edition
carpet
exhibition, Galleria
Klerckx, Milan, Italy

The carpet consists of 4
pieces in the shape of a
feather. Together they form a
large crystalline structure,
which is also a mental
structure. In the graphic
drawing you can find the
words *Inside the mind a
resting place*. The title refers
to the ritualistic intention of
the design: it is a carpet to
rest on.
